

**The Ferretti 680** is a 21.2-meter motor yacht designed to offer maximum comfort during navigation. Born from the collaboration between the Engineering Division and the Zuccon International Project studio, this yacht stands out for its soft and modern exterior lines, with a streamlined silhouette and large side windows.

The interiors of the Ferretti 680 are spacious and elegant, designed to accommodate up to 8 people in 4 cabins:

Master cabin: double bed, sofa, beauty area, and private bathroom with separate shower

VIP cabin: double bed and private bathroom with shower

2 guest cabins: each with two single beds and dedicated bathroom

The crew accommodation provides space for 3 people in two cabins (one single and one double)
